Future Business Leaders of America

Future Business Leaders of America is the premier student, business organization. The mission of FBLA is to bring business and education together in a positive working relationship through innovative leadership and career development programs.

FBLA Goals:

- Develop competent, aggressive business leadership
- Strengthen the confidence of students in themselves and their work
- Create more interest in and understanding of American business enterprise
- Encourage members in the development of individual projects which contribute to the improvement of home, business, and community
- Develop character, prepare for useful citizenship, and foster patriotism
- Encourage and practice efficient money management
- Encourage scholarship and promote school loyalty
- Assist students in the establishment of occupational goals
- Facilitate the transition from school to work

FBLA Creed:

I believe education is the right of every person.

I believe the future depends on mutual understanding and cooperation among business, industry, labor, religious, family, and educational institutions; as well as people around the world. I agree to do my utmost to bring about understanding and cooperation among all of these groups.

I believe every person should prepare for a useful occupation and carry on that occupation in a manner that brings the greatest good to the greatest number.

I believe every person should actively work toward improving social, political, community, and family life.

I believe every person has the right to earn a living at a useful occupation and that this right should not be denied because of race, color, creed, sex, or handicap.

I believe every person should take responsibility for carrying out assigned tasks in a manner that brings credit to self, associates, school, and community.

I believe I have the responsibility to work efficiently and to think clearly. I promise to use my abilities to make the world a better place for everyone.

FBLA Pledge:

I solemnly promise to uphold the aims and responsibilities of the Future Business Leaders of America, and as an active member I shall strive to do my best to develop the qualities necessary in becoming a responsible business leader.

Preface

The 2006-2007 edition of the North Dakota FBLA Chapter Handbook should replace any versions that were used in past years. This handbook will also be available on the North Dakota FBLA website at some point during the current school year. Chapters will be notified at that time.

Advisers are reminded that this document contains only North Dakota FBLA forms and North Dakota FBLA competitive event regulations and procedures. Every chapter should have a copy of the Chapter Management Handbook published and distributed to active chapters by the national FBLA office. Each chapter should have received replacement pages for this year from the national office in the fall of 2006. If you do not have a copy of the national Chapter Management Handbook, contact the national FBLA office in Reston, Virginia, directly at 1-800-FBLA-WIN.

There have been numerous changes and additions to this edition of the handbook, and we ask that you please contact the North Dakota FBLA State Office if there are errors or omissions. There have been a number of small changes made to many of the competitive events guidelines, so please don't assume that nothing has changed from last year. Only major changes are listed below. Please read through the entire handbook as your chapter prepares for the State Leadership Conference, and please pay close attention to the checklist of deadline dates that appears in the "Official Information" section of the handbook.

Changes to this edition:

- There have been numerous competency and rating sheet changes. Please read guidelines carefully for all events.
- Business Communication has a reading comprehension component added to the test.
- C++, Java, and Visual Basic have a programming component added to the event. The program is submitted and judged prior to the conference, and the written test is taken at the conference.
- Entrepreneurship teams can now be two or three members.
- Computer Concepts has been renamed Introduction to Technology. This event is for 9th and 10th graders only.
- Accounting II now has a school-site computer problem added to the event. The written test will still be taken at the conference.
- Multimedia Presentation and the programs for C++, Java, and Visual Basic, must be submitted on DVD.
- International Business has been renamed Global Business, and it has been changed to a team event. North Dakota will administer the written component only. The written test will be taken collectively by the team members prior to the State Leadership Conference. Those teams that qualify for nationals must prepare for both the written component and the performance component at the National Leadership Conference.
- All judges' question and answer periods have been reduced to three minutes.
- New topics for Emerging Business Issues, Multimedia Presentation, and Web Site Development are printed in this handbook. In addition, the topic for C++, Java, and Visual Basic is printed in this handbook.
- Each state is now allowed to submit three competitors in written test events at the National Leadership Conference.
- Each state is now allowed to submit two competitors in interview and performance events at the National Leadership Conference.

- **Each chapter will provide its own covers for this event.** Both front and back covers are required.
 - Report covers must contain the following information: Name of the School; State Chapter; Name of the Event; Year. They may also contain other information, but are not counted against the page limit.
 - Report covers must be of a weight such as cover stock, index stock, or card stock. Covers may not be in plastic binders, be laminated, or have a plastic sheet overlaying the printed cover.
 - Cut out cover stock covers are allowed, but the page containing the cover information is counted in the total page count.
 - Two- or three-ring binders are not acceptable as report covers.
 - Report covers must not exceed 9-1/2" x 12".
 - No items such as labels or decals may be attached to the front cover.
 - All reports must be bound (e.g. tape or spiral binding).
4. Student members, not advisers, must prepare reports. Local advisers should serve as consultants to ensure that the report is well organized, contains substantiated statements, and is written in a business style.
 5. FBLA-PBL encourages local chapters to cooperate on projects during the year. However, each chapter involved in the project must write and submit an independent report.
 6. Reports must describe activities of the chapter that were conducted between the previous State Leadership Conference and the current State Leadership Conference.

7. Entries must adhere to all of these regulations or they will be disqualified.
8. Reports received from local and state chapters become property of FBLA-PBL, Inc. These reports may be used for publication or reproduced for sale by the North Dakota and/or national association.

PROCEDURES

1. The report must document the steps outlined in this procedure section. The report format should follow the same sequence given on the rating sheet. If information is not available for a particular criterion, include a statement to that effect in the report. The report must be similar to that of a business report with substantiated statements in a clear and concise format. Creativity through design and use of meaningful graphics is encouraged.
2. Team members should start planning for this event early in the school year and should plan to work on this event during the entire year prior to the State Leadership Conference. This project is a Business Financial Planning case study.
3. Team members must contact Dorothy Lick of the North Dakota Bankers Association (see address below) in order to be provided names and addresses of banks that are members of the North Dakota Bankers Association or the American Bankers Association.
4. Once provided with the appropriate bank information, team members must write letters of invitation to this bank to make a presentation on credit and lending at an FBLA chapter meeting or business class. Resources and case studies will be provided to the bankers by the North Dakota Bankers Association.
5. When this presentation has been completed, the local FBLA chapter will then determine if any group of students are interested in pursuing this actual event. If so, the banker will give the students the choice of a case study representing a small farm operation, small commercial business, or a car purchase. Each case study will orientate them to the situation they will simulate when they set up an appointment for a loan request with their local banker.
6. Team members (two or three) will study and analyze the case study chosen and prepare for an initial visit with the participating bank.
7. The initial visit to the bank will allow the team an opportunity to talk to the banker about their business situation and the reason they need financing. The banker will go through the bank's standard practice of requesting a current financial statement, income and expenses projections, etc., and will provide the necessary forms to the FBLA team at that time.
8. Upon receiving these forms, the FBLA team will meet and complete the financial information requested by the bank. All pertinent information and figures will be provided through the case study material.
9. When the FBLA team has completed the required documents, the team will again contact the bank and set up a second appointment to discuss their completed financial forms.
10. The loan documents will be typed up, discussed in detail with the members of the FBLA team, and then signed by all members of the team.
11. The FBLA team members will collate and summarize all information, materials, and forms into the approved format:
 - The purpose of the project.
 - A complete chronological sequence of events and time spent at the bank.
 - A summary of the Business Financial Planning process including the original completed financial statement along with all loan related documents/correspondence.
 - A letter from the participating banker regarding this project.
 - Personal comments and feelings of all team members. Team members' comments need to be identified (the name of each individual should appear with their comments).
12. Three copies of the completed reports will be submitted for judging directly to Dorothy Lick at the North Dakota Bankers Association. (see address below)
13. For additional information and/or assistance contact:

PROGRAM FOR 2007 STATE AND NATIONAL LEADERSHIP CONFERENCES

Participation in this event will allow members to demonstrate proficiency in conceptualizing, designing and creating a business program solution. The topic to be addressed by the solution for competition at the 2007 State and National Leadership Conferences will be:

You have just been given the task to completely redesign and write the customer billing program at E-Z Watt Electric Co-op. Design the algorithm and program solution that will read a file containing the amount of electricity that each customer uses on a monthly basis. The files consist of:

- a. an account summary record, which provides that total kilowatt-hours used during the previous month by a customer, the amount owed, and the amount paid; and
- b. a monthly reading detail record, which contains the customer number, meter number, and the electricity usage (in kilowatt hours) for the month.

The program will read the electricity usage file and produce a billing report showing the customer number, name, electricity and the amount owed. The amount owed is calculated at 11 cents for each kilowatt-hour

used up to 200 hours, and 8 cents for each kilowatt-hour used over 200 hours. The total electricity usage in kilowatt-hour is also to be accumulated and printed.

At the end of each customer bill, compare the total electricity usage accumulated in the program with the value provided in the header record and print an appropriate message if the totals are not equal.

You may design the data files, input screens, and reports as you see fit.

PREJUDGING PROGRAM

PROGRAM FOR 2007 STATE AND NATIONAL LEADERSHIP CONFERENCES

Participation in this event will allow members to demonstrate proficiency in conceptualizing, designing, and creating a business program solution. The topic to be addressed by the solution for competition at the 2007 State and National Leadership Conferences will be:

You have just been given the task to completely redesign and write the customer billing program at E-Z Watt Electric Co-op. Design the algorithm and program solution that will read a file containing the amount of electricity that each customer uses on a monthly basis. The files consist of:

- a. an account summary record, which provides the total kilowatt-hours used during the previous month by a customer, the amount owed, and the amount paid; and

- b. a monthly reading detail record, which contains the customer number, meter number, and the electricity usage (in kilowatt hours) for the month.

The program will read the electricity usage file and produce a billing report showing the customer number, name, electricity, and the amount owed. The amount owed is calculated at 11 cents for each kilowatt-hour used up to 200 hours, and 8 cents for each kilowatt-hour used over 200 hours. The total electricity usage in kilowatt-hours is also to be accumulated and printed.

At the end of each customer bill, compare the total electricity usage accumulated in the program with the value provided in the header record and print an appropriate message if the totals are not equal.

You may design the data files, input screens, and reports as you see fit.

Prejudged Program

- Submit one (1) DVD of the executable object and sources files for judging.
- Entries will be judged according to the rating sheet.
- The solution must run stand-alone with no programming errors.
- Points will be deducted for any logical errors.
- Programs must be accompanied by a readme file noting software used; names of participants, school, state; source of information; and instructions on running the program.
- Programs should run on Windows 2000 or higher computer.

JUDGING

- Objective tests will be machine graded. The test constitutes 30 percent of the final score.
- Programs will be judged by a panel of judges. All judges' decisions are final. The program constitutes 70 percent of the final score.
- Ties will be broken by comparing the performance of the affected members on the last ten questions of the objective test.

STATE AWARDS

The number of awards presented at the State Leadership Conference is determined by the judges and/or number of entries. The maximum number will be ten.

NATIONAL COMPETITION

PROJECT AWARENESS

North Dakota Event Only

This event recognizes FBLA chapters that develop projects and activities within the school or community that increase understanding of and support for the rights of all individuals.

COMPETENCIES

The report submitted must describe a project that helps to eliminate discrimination in the school or community by promoting awareness of civil rights. Citizens are protected from discrimination by civil rights laws that forbid discrimination based upon race, color, creed, sex, age, or disability. FBLA Chapters are urged to collaborate with other groups (school administration, Lions Clubs, Chamber of Commerce, local government offices, etc.) in planning and conducting activities and projects that eliminate barriers to equality. Activities could include efforts of the chapter to make students aware of the laws that protect students from discrimination and discriminatory behaviors such as sexual harassment and the procedures used by schools to address sexual harassment.

- Activities could include efforts to make students aware of the barriers faced by disabled students and citizens, and the steps that facilities must take to comply with the Americans with Disabilities Act.
- Activities could include an awareness activity examining how schools ensure that boys and girls receive fair access to career and technical education courses and student organizations regardless of gender.
- Activities could include an awareness activity that examines persons and events of historical significance in civil rights, such as Medgar Evers, Alice Paul or the history of women's right to vote. This activity could examine the impact these historical events have had on the lives of students, today or analyze what student's lives would be like without the passage of specific civil rights laws. Activities could also include hosting a video-event, featuring civil rights movies such as "The Ghosts of Mississippi" followed by a panel discussion, or a similar awareness event for the school or community. As a component of the awareness project, students may choose to do a fundraiser for organizations that are working to eliminate hate crimes, such as the Southern Poverty Law Center or the National Constitution Center.
- Activities could include an awareness project on any aspect of civil rights protections, and may include a fundraising component. For example, students may focus on a specific disability such as blindness, do an awareness activity on the civil rights of the blind, and then conduct a fundraiser to support purchase of equipment for a blind person, or a fundraiser that would benefit organizations that assist blind individuals. Students might also focus on elimination of racial discrimination. In this case, they could do an activity to raise awareness of the barriers faced by people of color, and may also elect to do a fundraiser for organizations that attempt to eliminate racial barriers, such as the American Civil Liberties Union or the National Underground Railroad Freedom Center.

This project requires an awareness activity such as an informational assembly program in the school or community, broadcasting of a cable access or radio program, design and dissemination of brochures or other written materials, hosting a speaker, panel discussion, etc. The awareness activity may be augmented by a fundraising component; however, the awareness activity is required for a successful project.

ELIGIBILITY

All local FBLA chapters are eligible.

PROGRAM FOR 2007 STATE AND NATIONAL LEADERSHIP CONFERENCES

Participant in this event will allow members to demonstrate proficiency in conceptualizing, designing and creating a business program solution. The topic to be addressed by the solution for competition at the 2007 State and National Leadership Conference will be:

You have just been given the task to completely redesign and write the customer billing program at E-Z Watt Electric Co-op. Design the algorithm and program solution that will read a file containing the amount of electricity that each customer uses on a monthly basis. The files consist of:

- a. an account summary record, which provides the total kilowatt-hours used during the previous month by a customer, the amount owed, and the amount paid; and
- b. a monthly reading detail record, which contains the customer number, meter number, and the electricity usage (kilowatt hours) for the month.

The program will read the electricity usage file and produce a billing report showing the customer number, name, electricity, and the amount owed. The amount owed is calculated at 11 cents for each kilowatt-hour used up to 200 hours, and 8 cents for each kilowatt-hour used over 200 hours. The total electricity usage in kilowatt-hours is also to be accumulated and printed.

At the end of each customer bill, compare the total electricity usage accumulated in the program with the value provided in the header record and print an appropriate message if the totals are not equal.

You may design the data files, input screens, and reports as you see fit.

Prejudge Program

- Submit one (1) DVD of the executable object and sources files for judging.
- Entries will be judged according to the rating sheet.
- The solution must run stand-alone with no programming errors.
- Points will be deducted from any logical errors.
- Programs must be accompanied by a readme file noting software used; names of participants, school, state; source of information; and instructions on running the programs.
- Program should run on Windows 2000 or higher computer.

JUDGING

- Objective tests will be machine graded. The test constitutes 30 percent of the final score.
- Programs will be judged by a panel of judges. All judges' decisions are final. The program constitutes 70 percent of the final score.
- Ties will be broken by comparing the performance of the affected members on the last ten questions of the objective test.

STATE AWARDS

The number of awards presented at the State Leadership Conference is determined by the judges and/or number of entries. The maximum number will be ten.

NATIONAL COMPETITION

The first and second place winners, or alternate, are eligible to compete at the FBLA National Leadership Conference.

- Voice recognition software may be used where appropriate. The local chapter must provide the software.
- Results will be based on adherence to the Format Guide and mailable copy. Material that could be considered mailable with slight or serious corrections will receive reduced credit. (See Standards of Mailability.)
- Participants must recognize the necessity for accurate proofreading.
- Word division manuals and dictionaries may be used as reference materials. The Format Guide is allowed as a reference at the test site.

JUDGING

- Objective tests will be machine graded. This test constitutes 15 percent of the final event score.

- Judging of the skill test will be based on final copy. A panel of judges for this event will evaluate all documents produced. The score received on this portion of the event will constitute 85 percent of the final event score.
- Ties in this event will be broken by comparing the performance of the affected members on the last ten questions of the exam.

STATE AWARDS

The number of awards presented at the State Leadership Conference is determined by the judges and/or number of entries. The maximum number is ten.

NATIONAL COMPETITION

The first and second place award winners, or alternate, are eligible to compete at the FBLA National Leadership Conference.

Note: *North Dakota FBLA guidelines and procedures are slightly different than the national guidelines. Please read the national guidelines if entering this event at the national level.*

FBLA STANDARDS OF MAILABILITY

Use for the following competitive events:

- Computer Applications
- Word Processing I
- Word Processing II

In grading these materials, the following errors will make the copy mailable with slight corrections and will result in a penalty of two (2) points per error.

- Omission of a non-essential part of a document (e.g. reference initials, enclosure notation, etc.)
- Minor errors in vertical placement
- Minor errors in horizontal placement
- Minor spacing errors
- Inserted or omitted words that do not change the meaning of the sentence
- Transposed words that do not change the meaning of the sentence

The following errors will make the copy mailable with serious corrections and will result in a penalty of five (5) points per error.

- Failure to follow specific directions
- Keying or spelling errors
- Inserted or omitted words that change the meaning of the sentence
- Omission of essential parts of a document (e.g. date, inside address, etc.)
- Format Guide not followed

FBLA-PBL FORMAT GUIDE

Today's successful businesses require a consistent message throughout the organization. A foundation of this strategy is the use of a format guide so that a corporation maintains a uniform image through all its communications. As the premier student business organization, it is our responsibility to guide our students according to today's business practices. Side Margins:	1"

REPORT FORMATTING

(QS)

Standard Margins

With the exception of the left margin, all margin settings are the same for the unbound and leftbound reports. The right margin is one inch. A top margin of two inches and a bottom margin of one inch are used on the first page of reports. All remaining pages are keyed with one-inch top and bottom margins. Since the internal spacing of report parts varies, a bottom margin of exactly one-inch is sometimes not feasible. The bottom margin may be varied to prevent a side heading or first line of a paragraph from printing as the last line on a page (orphan), or the last line of a paragraph from occurring at the top of a new page (widow.)

Page Numbering

The first page of a report is not numbered. On the second and subsequent pages, place the page number in the upper right side of the page header. Reference pages should also be numbered.

Long Quotes

Quoted material of four or more lines should be single spaced, indented 0.5 inch from both the left and right margins, and doubled space above and below the quoted materials.

Enumerated or Bulleted Items

Indent enumerated or bulleted items 0.5 inch from the left margin; block the lines at the beginning of the first word of the item. The right margin for enumerated and bulleted items remains at one inch. Single space individual items; double space between items as well as above and below a series of items.

Headings and Subheadings

Main heading. Center the main heading in ALL CAPS and bold over the body.

Side headings. Begin side headings at the left margin. Capitalize the first letter of the first word and all other main words in each heading. Bold side headings.

Paragraph headings. Indent paragraph headings 0.5 inches from the left margin. Capitalize the first letter of the first word only. Underline the heading and follow it with a period.¹

REPORT – continued

Top Margin: 1"
Side Margins: 1"
Spacing in Body: DS

2

Endnotes

Endnotes are placed at the end of the report, and the endnote is cited by a superscript number. The endnotes page has the same top and side margins as the first page of the report and is numbered. Each endnote is single spaced with a double space between endnotes. The first line of each endnote is indented 0.5" from the left margin; all other lines begin at the left margin.²

References

All references cited will be listed alphabetically under the heading REFERENCES or BIBLIOGRAPHY or WORKS CITED. The page has the same top and side margins as the first page of the report and is numbered. Each reference is single spaced with a double space between references. The first line of each reference begins at the left margin; all other lines are indented 0.5 inch from the left margin.³

When listing the titles of individual works, follow these guidelines: Titles of books should be italicized. Titles of articles should be placed in quotation marks. Journal or magazine titles should be italicized. The title or description of materials found on Web sites or other Internet sources should be surrounded by quotation marks.

Note:

Put just the page number on the second and subsequent pages in the upper right side of the page header 0.5 inch from top of page.

CHAPTER ACTIVITIES

ADOPT-A-CHAPTER

The Adopt-a-Chapter program is designed to encourage the recruitment of high schools in your area that currently do not have an FBLA chapter. The goal is to get new chapters involved with FBLA.

RECOGNITION

All chapters who participate in this project and help charter or reactivate a new chapter will be recognized during the Parade of Chapters at the State Leadership Conference. ***The chapter will receive one complimentary registration to the SLC for each chapter adopted.***

All chapters who adopt a chapter must follow the “adoption terms,” have the new chapter sign the verification form, and return the form to the state FBLA office postmarked by the February 6 deadline.

All chapters are challenged to spread the word about North Dakota FBLA and give more students the opportunity to participate in this organization.

TERMS OF ADOPTION

In order to receive recognition for participation in the Adopt-A-Chapter Project, chapters must do the following:

- Contact a school that does not currently have an FBLA chapter and set up an appointment with an interested teacher to inform them about FBLA. (Contact the state office for a PowerPoint presentation that can be used at this meeting.)
- Request a “Chapter Start-Up Packet” from the state office and personally deliver it to the prospective chapter. This packet includes handbooks, charter application, office resource guides, etc.
- Assist adopted chapter with completing the charter application. **The new or reactivated chapter must have a minimum of five members.**
- Meet with the adopted chapter a minimum of two times. The new chapter should be assisted with developing a program of work for their first year.
- Conduct a chapter installation service for new chapter. **(Mandatory—this can be one of the two meetings listed in the previous item.)**
- Complete the Verification Form with all required signatures and mail to the state office *postmarked by February 6, 2006.*

FORM IN FORMS SECTION

CORPORATE SPONSORSHIP

The corporate sponsorship program is designed to raise money to help send state competitive event winners to the National Leadership Conference. Next year's conference will be held in Nashville.

TIPS FOR RECRUITING CORPORATE SPONSORS

Make a list of potential sponsors. In identifying sponsors, consider businesses that benefit from statewide exposure, such as car dealerships or statewide corporations. Remind them of the fact that approximately 1,300 high school students, teachers, and chaperones will be seeing the conference program. The conference program will have the sponsor's company logo printed in it. Many of your hometown businesses will also support you if asked.

When contacting potential corporate sponsors:

- Make an appointment convenient to them.
- Make sure you know everything about the program before you go and talk to potential sponsors. Know the basics of FBLA, such as the mission statement (printed in your chapter handbook), so you can inform them of what our organization strives to achieve. Make the business aware of what their money does. The sponsorship pays for the sponsored event winner's registration at the NLC.
- Have a general idea of what you're going to say and how you are going to say it before you contact a potential sponsor.
- If possible, show an example of last year's SLC program with sponsors' company logos in it. Tell how their name appears on the multimedia screen at the SLC next to the event name. Get the company's business card, so their sponsorship information can be printed in the conference program.
- Dress appropriately.
- Have an introduction that is informative and is ten seconds or less. As an example: "Hi, I'm Robin Walters, the president of the Martian Protection Society, and I'd like to speak to you about the benefits of sending an outstanding high school student into outer space."
- Tell them what happens at the NLC. Share the excitement of a North Dakota team winning first in the nation in desktop publishing. Also tell them what a great experience it is.
- Remember to send a written thank you within 48 hours to thank the business for their sponsorship.

From the moment you enter a business to contact a potential corporate sponsor, make sure you are as professional as you can be. One tip—if you have to wait for someone and you are sitting when they enter, be sure you stand to greet them and shake their hand.

When you get a corporate sponsorship:

- ☐ Complete all sections of the form
- ☐ Secure a check for the proper amount made out to North Dakota FBLA
- ☐ Send the information to the state FBLA office (address is in the chapter handbook)
- ☐ Send a thank you to the sponsor

Events that have been sponsored, and the businesses that sponsored them, will be listed on the website so that we do not get duplicate sponsors for an event. Check the website at www.ndfbla.org to see which events have been sponsored before talking to a business.

A list of events that are available for sponsorship and a sample introductory letter can be found on the next two pages.

FORM IN FORMS SECTION

2006-2007 NORTH DAKOTA FBLA COMPETITIVE EVENTS

(for use with Corporate Sponsorship Program)

The purpose of the Corporate Sponsorship Program is to help send North Dakota FBLA members, who qualify for national competition, to the National Leadership Conference. We request a \$200 sponsorship for a business to be the sole sponsor of an individual event. With team or chapter events, in order to be the sole sponsor, the amount could range anywhere from \$200 to \$1,000 (depending on the size of the team). If a business should choose to partially sponsor an event, we would accept sponsors for that event until it is fully sponsored. We would like to suggest that \$100 be the minimum amount for a sponsorship.

CORPORATE SPONSORSHIP SAMPLE LETTER

Insert Current Date

To Whom it May Concern

It is my pleasure to introduce you to the Future Business Leaders of America (FBLA); the premier organization for students who are planning for careers in business. I would like to present you with an opportunity to partner with our organization in an effort to further develop the leadership skills of North Dakota's FBLA members.

As a _____ at _____ High School, I am privileged to be serving as the North Dakota FBLA State _____. Through the program of activities offered by FBLA, I have developed leadership, teamwork, and time management skills, to name a few. These are skills that have greatly enhanced my education and will continue to serve me well as I move on to college and a career.

At the FBLA state and national conferences members have the opportunity to compete in various business events, which is a way to validate the skills students have learned in school. In order to compete at the national level, members must place first or second in their competitive event. In past years, our state chapter has paid the registration fee for all of North Dakota's competitors, and this has proven to be a drain on our resources. At last year's national conference, the state officers learned about a corporate sponsorship program being implemented in many states, and they decided to start a similar program in North Dakota.

As a corporate sponsor, we would ask you to provide for the registration fees in the competitive event of your choice, which would cost \$200. Some events only send one competitor to nationals, and we would ask sponsors of those events to donate \$100. In return for sponsoring an event, we will include your company's name in our conference program, and when the event is announced at the awards ceremony your contribution would also be noted. In addition, a representative from your company would be invited to attend our awards ceremony in April to present the awards in person.

In order to further discuss your company's potential participation as a corporate sponsor, I would appreciate the opportunity to visit with you in person about this program. I will contact you next week to set an appointment, or you may contact me by phone at (701) _____ or by email at _____.

INFOSHARE

The “Infoshare Form” is a way for chapters to report their chapter’s news. The “Infoshare” is easy to fill out, send, and read.

COMPLETING THE INFOSHARE

Several things will happen when you complete the Infoshare:

1. Your regional vice president will take all the Infoshares collected each month, and submit a report to the state webmaster for inclusion on the ND FBLA website.
2. By sending in an Infoshare form, on three separate months, prior to the State Leadership Conference, your chapter will have fulfilled one of the requirements for the “Go for the Gold” event.
3. The Infoshare is your chapter’s way of letting other chapters know what’s happening with FBLA at your school.

All you need to do is type your school name, address, etc. on the form. Then check the type of activity and describe it. If you wish to reproduce this form electronically and email your Infoshares, please feel free to do so. Please send photos, if they are available. When sending photos, remember to have the people pictured sign a website release form that can be found in your Chapter Handbook and on the website. The website release form should be sent to the state FBLA office, and the state webmaster will verify whether or not it is okay to include your pictures on the website.

You must submit at least one activity, but may submit more if you had a busy month. Just remember that forms must be turned in on three separate months, with at least one activity on each form, by February 12, 2007, in order to qualify for “Go for the Gold.” Please postmark, fax, or email the Infoshare to your regional vice president by the 5th of the month. We look forward to reading all about your local chapters!

FORM IN FORMS SECTION

MEMBERSHIP MADNESS & MEMBERSHIP MANIA

Effective state and national programs depend upon membership support and growth. In order to support the efforts of members who recruit new FBLA members, recognition is given to those who recruit five or ten new members.

MEMBERSHIP MADNESS AWARD

This program recognizes FBLA members who extend the benefits of membership to their friends and acquaintances. Members who recruit at least five (5) new members receive a certificate of recognition and have their efforts recognized at the State Leadership Conference. Completing the requirements of the Membership Madness Award can also be used as an optional activity for Go for the Gold (or Silver). The deadline for submitting Membership Madness Forms (located in the Forms Section) is February 6. Once this form is submitted for recognition at the state level, it will be forwarded to the national office for recognition. Members and/or advisers do not have to send the form to the national office; the state office will do it for you.

MEMBERSHIP MANIA AWARD

This program recognizes FBLA members who extend the benefits of membership to their friends and acquaintances. Members who recruit at least ten (10) new members receive a certificate of recognition and have their efforts recognized at the State Leadership Conference. Completing the requirements of the Membership Mania Award can also be used as an optional activity for Go for the Gold (or Silver). The deadline for submitting Membership Mania Forms (located in the Forms Section) is February 6. Once this form is submitted for recognition at the state level, it will be forwarded to the national office for recognition. Members and/or advisers do not have to send the form to the national office; the state office will do it for you.

PROFESSIONAL DRESS DAY

Learning to dress in a professional manner is an important element in conveying a professional impression in a business environment, and it is a required element at state FBLA events. Professional Dress Day is designed to give FBLA members an opportunity to wear professional attire and to determine if what they are wearing conveys a professional impression and meets the FBLA Dress Code.

Professional Dress Day is designed to teach members about professional business attire, as defined by the FBLA Dress Code. Chapters who have a majority (51%) of their members who wear professional dress to school in three separate months prior to the submission deadline, can use this activity to qualify for Go for the Gold or Silver.

The Professional Dress Day verification form must be completed and submitted along with the Go for the Gold or Silver application form.

2007 NORTH DAKOTA STATE LEADERSHIP CONFERENCE

The highlight of the year in North Dakota FBLA is the State Leadership Conference, which will be held in Minot on April 1 – 3, 2007. This exciting, fun-filled, three-day leadership conference provides students with many opportunities for leadership development and an opportunity to participate in various competitive events. Winners in the competitive events are eligible to enter the National Leadership Conference in Chicago, IL, June 28 – July 1, 2007.

This section of the handbook contains all the information and forms necessary to register students for the State Leadership Conference. Please read this section very carefully. Please notify the state office immediately if you spot a problem or conflict. Others will have the same concern.

COMPETITIVE EVENT INFORMATION:

Members are allowed to compete in two (2) individual or team events. An exception will be made for members who are part of the presentation team in chapter events. Keep in mind, however, that members are absolutely not allowed to compete in more than one (1) of the following events: Entrepreneurship, Future Business Leader, Impromptu Speaking, Job Interview, Parliamentary Procedure, Public Speaking I, Public Speaking II, Emerging Business Issues, Network Design, or Business Ethics.

Future Business Leader and Job Interview materials are to be mailed ahead of time to the designated place by the specified postmark date.

Remember that students entering Business Math, Introduction to Business, Introduction to Business Communication, Introduction to Technology Concepts, FBLA Principles and Procedures, Introduction to Parliamentary Procedure, Public Speaking I, Spelling and Proofreading Skills, and Word Processing I must be in grades 9–10 only.

The following events are considered to be linked in a series. Once a member has competed at the State Conference in the second, or advanced, event in the series, he/she may not subsequently compete in the first, or introductory event. Event series impacted by this regulation include:

- Accounting I and Accounting II

Individual Events (written tests only). Tests will be machine graded. Ties will be broken by comparing the performance of affected members on the last ten questions of the exam.

The Website Development, Multimedia Presentation, C++, Java and Visual Basic entry forms and where applicable, the accompany projects, are to be mailed to the designated place by the specified postmark date.

Individuals and/or teams are responsible for providing their own equipment for appropriate chapter events.

SCHOOL-SITE TESTING:

The written test portion of the Word Processing I, Word Processing II, Computer Applications, Desktop Publishing, Parliamentary Procedure, Entrepreneurship, Network Design, Global Business, and Future Business Leader events will be administered in the home school and returned prior to the conference. One hour, including explanation time, will be allowed for the written test portion of these events. These tests are to be administered by someone at your school site other than the adviser. The designated school-site test administrator will be sent the tests. Advisers may help with equipment set-up for the skills portion of any tests, but may not be present in the testing room; and advisers are not to see any of the tests. All tests must be completed in one sitting. For example, a two-hour test cannot be started from 8 to 9 a.m. and then finished from 2 to 3 p.m.

The Entrepreneurship, Desktop Publishing, Global Business, and Network Design written tests given in the home school are done **cooperatively** by all team members with only **one answer sheet per team**.

Computer Applications skills portion will be administered in the home school. Participants should be prepared to complete problems in word processing, database, spreadsheets, graphics, and presentations. Two hours will be allowed for the skills portion. **Desktop Publishing** skills portion will be administered in the home school. The team, consisting of two members, will work cooperatively to complete the problem. Two hours will be allowed for the skills portion. **Word Processing I** and **Word Processing II** skills portion will be administered in the home school. One hour will be allowed for the skills portion.

The tests given in the home schools are to be mailed by the school-site test administrator to the designated place by the specified postmark date. *This procedure is for North Dakota only.*

STATE OFFICER CANDIDATES:

Your chapter may have **two** state officer candidates (including the regional vice president). However, you may have any number of students apply for the state parliamentarian position. Any student wishing to be considered for state parliamentarian must be a junior (or lower grade) in high school, complete an application, and take the Introduction to Parliamentary Procedure written test. The chapter does not have to enter a Parliamentary Procedure team. The student scoring the highest, who has completed an application form and who has gone through the interview process will be selected as state parliamentarian. All necessary information and forms needed to apply can be found in the State Officer Candidate Guide, which is part of this publication.

NATIONAL OFFICER CANDIDATES:

The exact amount of the refund will be determined and refunded to each chapter within a month of the conference. PROCEDURAL GUIDELINES FOR ADVISERS IN ADMINISTRATING CONDUCT OF FBLA MEMBERS ATTENDING STATE LEADERSHIP CONFERENCES

Conduct of students attending FBLA state leadership conferences or workshops is primarily the responsibility of the **local** chapter adviser and the **local** school. Local chapters should bring sufficient chaperons. It is suggested that one chaperon supervise no more than ten students. Each chaperon should set up specific procedures and regulations for their own chapter members to follow so that members' whereabouts are always known.

It is suggested that each chapter arrange to hold meetings or caucuses at various times to decide what candidates they are going to vote for or where they are going to eat breakfast, lunch, etc. This will also give you an opportunity to physically see each student.

It is **required** that local chapter advisers physically check on **each** student before retiring. This is the only way to be certain of the physical condition of each student. Don't just phone the room and have one student tell you all students registered for this room are in the room and are in good condition. Students may possibly be under the influence of alcohol or drugs or have left the motel or are in some other person's room.

The official Code of Conduct form must be signed by each member and their parent/guardian in order to attend the state conference, even if the member is 18 years old. **One signed copy must be turned in at registration**, and the adviser should also keep a copy.

Students must adhere to the North Dakota Dress Code.

It is required that each member and their parent/guardian sign and return to the local chapter adviser a medical liability release and parental permission slip. This must be done before any student is registered for the conference. This includes students attending from the city where the conference is held. **Do not send the medical form to the state office**, but bring it with you to the conference.

North Dakota FBLA Awards Program

Mission Statement

The mission of the National Awards Program and the North Dakota Awards Program is to prepare students for successful careers in business through support for curriculum development and innovative assessment tools. To help meet that charge, this competitive events series has been developed for use in assessing students in the various knowledge, skills, and abilities that make up today's business education curriculum.

Program Design and Purposes

The competitive events series exemplifies the range of activities and focus of FBLA-PBL, Inc. These events are based on projects developed from the goals of FBLA-PBL and the curricula of business education programs.

FBLA-PBL is committed to facilitating the transition of its members from their educational development into their career path. The competitive events program plays a central role in delivering on this commitment. The program allows members to demonstrate and validate their mastery of essential business concepts, skills, and knowledge. In addition, members participating in this program will:

- demonstrate their career competencies, business knowledge, and job-related skills;
- expand their leadership skills;
- demonstrate their competitive spirit; and
- receive recognition for their achievements.

The FBLA-PBL competitive events program is designed to correlate with nationally recognized business curriculum standards. For instance, members participating in competitive events demonstrate their mastery of the Foundation Skills and Competencies outlined by the SCANS Workplace Skills Standards. These include Foundation Skills of basic skills, thinking skills, and personal qualities. They also include the Competencies of resources, interpersonal skills, information skills, systems skills, and technology utilization skills.

Finally, the FBLA-PBL competitive events have been fully correlated against the Business Education Curriculum Standards published by the National Business Education Association. Each event's guideline pages indicate the specific NBEA standards(s) that the event addresses.

General Information

North Dakota FBLA events are divided into three categories: individual, team, and chapter events.

- A member may participate in any number of chapter events.
- A member may compete in one or two events, which can be either team or individual. A member taking the Parliamentary Procedure test only for consideration as state parliamentarian is not classified as an official participant entering an event and may compete in other events.
- A member may enter only one of the following events: Entrepreneurship, Future Business Leader, Impromptu Speaking, Job Interview, Parliamentary Procedure, Public Speaking I, Public Speaking II, Network Design, Emerging Business Issues, and Business Ethics.

Several points deserve specific mention when preparing for event participation.

- Many textbook sources are utilized in the preparation of test questions for the various competitive events. Participants are urged to prepare by reviewing as many texts as possible. Terminology may vary from one publisher to another, and test questions may be from several sources.
- Reference manuals, textbooks, and other source materials, except for those listed in the guidelines, may not be taken into events.
- **Participants must adhere to the dress code established by the Board of Directors, or they will not be permitted to participate in the competitive event.**

Event guidelines refer to postmark dates. This is the official date stamp placed by the U.S. Post Office and not a postage meter date.

Members whose dues are not postmarked to the FBLA national office by the designated deadline are not eligible to participate in state competitive events. Membership in FBLA is unified on local, state, and national levels and is not available separately.

Every FBLA chapter should name one FBLA member to receive the Who's Who award. Every chapter has a winner. State FBLA officers are *not* to be local chapter winners. They receive the award automatically. This award should be given to the person most deserving for service to the local FBLA chapter, not necessarily the president, but the member who always is present, always willing to help, etc. If the adviser feels it is merited, chapters may have more than one Who's Who winner.

1	Name of Student Receiving Award (please print or type)
2	Name of Student Receiving Award (please print or type)
3	Name of Student Receiving Award (please print or type)

NOTE: The Who's Who Award is usually given in a "Parade of Chapters" at the State Leadership Conference. The "Parade of Chapters" participants are the Local Chapter Who's Who winner, the chapter adviser, and the president of the chapter (or representative).

FBLA-PBL Code of Conduct

FBLA-PBL members have an excellent reputation. Your conduct at every FBLA-PBL function should make a positive contribution to extending that reputation. Listed here are rules of conduct for the FBLA Leadership Conferences. All delegates will be expected to:

1. Behave in a courteous and respectful manner, refraining from language and actions that might bring discredit upon themselves, their school, other delegates, advisers, or upon FBLA-PBL.
2. Obey all local, state, and federal laws.
3. Avoid conduct not conducive to an educational conference. Such conduct includes, but is not limited to, actions disrupting the businesslike atmosphere, association with non-conference individuals, or activities that endanger self or others (running in the General Sessions, standing on chairs, using laser points during workshops, bodysurfing at dances, etc.)
4. Keep their advisers informed of their activities and whereabouts **at all times**. Accidents, injuries, and illnesses must be reported to the local or state advisers immediately.
5. Observe the curfews as listed in the conference program. Local and state advisers as well as security personnel will enforce curfews. Curfew is defined as being in your own assigned room by the designated hour.
6. Avoid alcoholic beverages and controlled or illegal substances of any form. These items must not be used or possessed at any time, or under any circumstances. Use or possession of such substances may subject the delegate to criminal prosecution.
7. Act as guests of the hotel and conference center. Delegates must obey the rules of these facilities. The facilities have the right to ask a delegate or delegates to leave. **Do not throw anything** out of windows or over balconies. Do not run down hallways. Noise should be kept at a reasonable volume, especially in the hotels. Remember there are other guests in the hotels who have rights as well. Trash (this includes pizza boxes, bottles, cans, etc.) must be placed in the proper receptacles and not left on guest room or meeting room floors. Individuals or chapters responsible for damages to any property or furnishings will be responsible for its repair or replacement.

Local advisers are responsible for the supervision of delegate conduct.

Disregarding or Violating the Code of Conduct

Delegates who disregard or violate this code will be subject to disciplinary action, including, but not limited to, forfeiture of privileges to attend further events, confinement to your hotel room, dismissal from the conference, and being sent home at your own expense. Parents and/or guardians will be notified and FBLA-PBL reserves the right to notify law enforcement.

I agree to abide by the Code of Conduct and the Dress Code.

STATE OFFICER CANDIDATE GUIDE

Dear Prospective State Officer Candidate:

Congratulations! You have taken the first step toward running for a state office.

This guide provides you with essential information and steps that you need to know to become a state officer. The experience can be challenging and exciting, but it will not be easy. To put you in the arena with other state officer candidates, you will need determination, commitment, preparation, and effort.

Once in that arena, the next challenge is to get elected. You will have to persuade the voting delegates at the State Leadership Conference (SLC) that you are the one for the job!

Preparing, campaigning, speaking—all come together to form a learning experience you will use for the rest of your life. The experience itself is invaluable, even if you are not elected. Every candidate is a winner!

You cannot become a state officer candidate alone. You need the support and encouragement of many people.

- Your parents and school administrator need to be informed and support your effort.
- Your local adviser will need to approve and sign your application for state office and serve as your coach and guide through the entire process. Your adviser is also the link to the FBLA state director.
- Your chapter officers and members need to support your candidacy and rally behind your campaign.

Please read this guide carefully to make sure you meet the qualifications and adhere to the deadlines.

By the way . . . it is fun! Good luck!

Kelly Scholl
State FBLA Director

COMMENTS FROM FORMER STATE OFFICERS

"We are just ordinary members who have the determination and desire to strive for the best we can be. You should never feel that you have to be extra-special to fill the shoes of a state officer; you just must be willing to put much effort and enthusiasm into the job."

"I never really thought becoming a state officer could be reality for me. It was hard for me to put myself in that role, because I would go to our State Leadership Conference and see people standing on the stage, and I was in awe! I didn't think it could happen! But I asked them what was involved, and that's what really got me going. I thought, 'Yes, I think I can do that!'"

"I think each one of us who ran for office had the winning spirit and a good positive attitude."

"We have the determination and drive to reach out and really try for what we think is the highest point. I think that's also what makes a chapter successful—those who are willing to go out and work for it and make it a success. We're not that much different from other members."

"Becoming a state officer was a way of developing professionalism in myself and incorporating all that I had learned, both in the classroom and in membership in FBLA."

"Without FBLA I would not have been able to experience so many wonderful and unforgettable events. I know that as I become a leader in society, I'll always remember what FBLA has done to prepare me. I just wish that every high school student could experience all the great things that I have."

THE DECISION TO RUN FOR STATE OFFICE

FBLA chapters are urged to recruit applicants for state office. Applicants should be selected from among the leaders in the local FBLA chapter. Chapters may have two candidates for state office (including any regional vice president candidates), and they may have one or more applicants for state parliamentarian.

Service as an FBLA state officer is one of the ultimate achievements a member can attain. The planning, organizing, and execution of a state officer campaign is in itself a valuable leadership experience. The decision to run for office should be taken very seriously.

This guide provides information about state officer candidate eligibility, campaign procedures and rules, and an overview of the expectations, responsibilities, and activities of state officers. Carefully review this *entire* document before finalizing your decision to run for office to ensure that all eligibility requirements have been met and that the commitments required of state officers can be met.

Before the campaign begins, it is critical for the potential candidate to take an honest personal inventory and thoroughly evaluate whether he/she has the time, resources, support, capabilities, attitude, and commitment to prepare an effective campaign and serve as a state officer.

Before you begin to fill out the state officer application, the following should be carefully reviewed and considered:

- Review the entire guide to become thoroughly familiar with state officer responsibilities and election requirements.
- Meet with your local adviser, parents, school administrators, employers, and other significant parties to discuss running for state office and to gain their support.
- Obtain the support of your local chapter adviser as this is of the utmost importance. You and your adviser are a team as you carry out your state officer duties and responsibilities.
- Study FBLA's mission, history, bylaws, publications, programs, and activities. Local advisers should have copies of these materials.

After careful review and consideration of these points, the applicant should begin to complete the officer application and plan the campaign.

2. The adviser shall oversee the duties of his/her state officer and shall keep in contact with the state director on matters concerning the state chapter.

GENERAL ADVISER OVERVIEW

"Mentor" is defined as a trusted counselor or guide, a tutor or coach. This definition aptly describes the role of a state officer's local chapter adviser. From the moment a student considers running until his/her term of office ends, the adviser is a key figure.

The adviser counsels the student on the qualifications and duties of a state officer and helps with the decision to run. The adviser guides the student on the campaign process and serves as tutor and coach during the officer's term of office.

It is sometimes difficult for an adviser to play the dual role of adviser and teacher. The relationship between adviser and officer is critical to the success of the term of office. The officer must realize that the local adviser's signature on the application shows his/her support to the officer and organization.

The adviser and officer need to work together closely on the workshops for the Fall Leadership Conference. Timelines will be set at State Officer Training and the adviser needs to guide the student through this assignment. The adviser should review workshop content and materials, and make sure that the officer practices the workshop prior to presenting the workshop at the September meeting. Any changes and/or suggestions made at that rehearsal need to be followed up by the adviser.

The local adviser should work closely with the state director to keep him/her informed of the officer's progress with projects and any challenges that may arise.

The local adviser should proofread all correspondence before mailing as well as sign his/her name. The officer should write correspondence and articles and present them to the adviser for suggestions and any necessary changes.

Accept responsibility for assisting officers. Secure the endorsement and support of parents, school officials, and employers, if applicable.

STATE OFFICER TRAINING

The date and site for the 2007 State Officer Training is tentatively set for June 10 – 13, 2007 in Bismarck. Regardless of the site, transportation to and from the training site for both the student and the adviser will be reimbursed. While at training, all meals will be provided.

Training will take place over four days between the end of the school year and the start of the National Leadership Conference. Among the many tasks and activities to be completed during officer training, the most important will be to develop a program of work to guide the team throughout the year. Time will also be spent on the development of the Fall and State Leadership Conferences.

State officer training will conclude with an official Executive Board meeting.

FINANCIAL NOTES

Funds are available to cover travel, lodging, and food expenses for each state officer and their adviser to attend all official Executive Board Meetings and State Officer Training.

Name badges will be provided for newly elected officers.

Complimentary registration will be provided for the Institute for Leaders (IFL), National Leadership Conference (NLC), Fall Leadership Conference (FLC), and State Leadership Conference (SLC).

Hotel rooms will be provided at the Fall and State Leadership Conferences (officer team will room together).

Each officer will be provided with an officer uniform (business suit) that must be worn at all official FBLA functions.

ELECTION PROCEDURES FOR PRESIDENT, REGIONAL VICE PRESIDENT, SECRETARY, TREASURER, HISTORIAN, AND WEBMASTER

1. Candidates may mail out campaign materials to local chapters after being notified by the state office that their candidacy met eligibility guidelines. All materials must be postmarked at least two weeks prior to the state conference. All mailing and correspondence to chapters must also be sent to present state officers as well as the state director and the state advisers.
2. All candidates, along with their adviser, must attend a candidate interview on Monday morning of the conference. If the candidate has a conflict with an official competitive event at that time, other arrangements must be made prior to the candidates' nomination session.
3. Examples of all campaign materials and a financial disclosure statement must be approved at the above-mentioned meeting. At that time candidates will be apprised of campaign rules and procedures and be allowed to ask appropriate questions.
4. Candidates may use posters, brochures, candy, or other means to advertise their candidacy. Following the nomination of the candidates, the campaign materials may be posted only in designated areas. Any food must be commercially packaged.
5. At the statewide candidates' nomination session the candidate will give a speech of two minutes stating his/her platform and qualifications for office. There will be no speeches given by campaign managers. No skits, music, dances, etc. will be allowed as part of the two-minute speech. After the campaign speeches, there will be time for voting delegates to ask questions of the candidates.
6. Each candidate will be provided a draped cloth campaign booth (size 6' x 8' with a 2' x 8' table). Candidates and two helpers only will be allowed to set up campaign booths ½ hour prior to the start of campaigning. **Campaigning is restricted to the designated area and designated time. No campaigning in other hotels where chapters may be staying.**
7. Business attire is required in campaign booths. No costumes or clothing items, such as t-shirts, with campaign slogans will be allowed.
8. No equipment requiring electricity may be used at a campaign booth or as part of the campaign.
9. No campaign materials are to be in the halls, on doors, or other public areas of the conference facility. No handouts of favors at the general sessions. Materials can only be given out at campaign booths, at chapter caucuses, or mailed to local chapters prior to the conference.
10. No campaigning may be done using the hotel's phone system.
11. If an office is not filled at the SLC, applications will be accepted from qualified applicants following the SLC and the vacancy will be filled by appointment.
12. The election of officers will be by written ballot of voting delegates. Each chapter is entitled to send 2 to 4 voting delegates to the State Leadership Conference according to the number of active members (under 50 members—two voting delegates; 50-100 members—three voting delegates; over 100 members—four voting delegates). These delegates will vote on the candidates following instructions from the members of their chapter in attendance.
13. State officer candidates may run for a national FBLA office at the same time as running for a state office.

CAMPAIGN TIPS

One of the highlights of FBLA conferences is the election of officers. In order to determine the best candidate for each office, information must be gathered on all candidates. Campaigning is a series of organized, planned actions necessary for electing a candidate. It is an efficient way to provide information on the qualifications and characteristics of a candidate.

It is not too early to start planning! Organization is of great importance if accurate and efficient information outlining the positive characteristics and goals of a candidate is to be available. Scheduling of specific tasks that need to be done is a good idea so that the ideas and plans will be accomplished in a neat and thorough manner. By having a set schedule and sticking to it, all of the campaign materials will be finished before the date of campaigning, and there won't be a mad rush at the last minute.

Some campaigning suggestions include:*

1. Have a theme that will be easy to build different, attractive ideas upon and which will have a positive, memorable effect on the delegates.
2. Integrate the campaign theme throughout the campaign speech.
3. Be sure not to include equipment requiring electricity.
4. Develop some way to state the candidate's qualities, ideas, and goals, such as a fact sheet or brochure.
5. Have give-aways (candy, stickers, pens, etc.). **Any food items must be commercially prepared and wrapped.**
6. Make posters or other means of catching attention.
7. Have the candidate visible and prepared to talk to people and answer questions.
8. Be prepared to answer questions from voting delegates during the candidates' nomination session.
9. Develop a campaign budget and stick to it.
10. Practice your campaign speech in front of others, and have them ask practice questions to help you prepare for the "real thing."

Candidates and/or their chapter are responsible for cleaning up campaign materials. It is not the hotel's responsibility to do this.

*Candidates for national office see specific campaign restrictions under the "Duties and Responsibilities of All State Officers" section of this guide.

FBLA-PBL Code of Conduct

FBLA-PBL members have an excellent reputation. Your conduct at every FBLA-PBL function should make a positive contribution to extending that reputation. Listed here are rules of conduct for the FBLA Leadership Conferences. All delegates will be expected to:

1. Behave in a courteous and respectful manner, refraining from language and actions that might bring discredit upon themselves, their school, other delegates, advisers, or upon FBLA-PBL.
2. Obey all local, state, and federal laws.
3. Avoid conduct not conducive to an educational conference. Such conduct includes, but is not limited to, actions disrupting the businesslike atmosphere, association with non-conference individuals, or activities that endanger self or others (running in the General Sessions, standing on chairs, using laser points during workshops, bodysurfing at dances, etc.)
4. Keep their advisers informed of their activities and whereabouts **at all times**. Accidents, injuries, and illnesses must be reported to the local or state advisers immediately.
5. Observe the curfews as listed in the conference program. Local and state advisers as well as security personnel will enforce curfews. Curfew is defined as being in your own assigned room by the designated hour.
6. Avoid alcoholic beverages and controlled or illegal substances of any form. These items must not be used or possessed at any time, or under any circumstances. Use or possession of such substances may subject the delegate to criminal prosecution.
7. Act as guests of the hotel and conference center. Delegates must obey the rules of these facilities. The facilities have the right to ask a delegate or delegates to leave. **Do not throw anything** out of windows or over balconies. Do not run down hallways. Noise should be kept at a reasonable volume, especially in the hotels. Remember there are other guests in the hotels who have rights as well. Trash (this includes pizza boxes, bottles, cans, etc.) must be placed in the proper receptacles and not left on guest room or meeting room floors. Individuals or chapters responsible for damages to any property or furnishings will be responsible for its repair or replacement.

Local advisers are responsible for the supervision of delegate conduct.

Disregarding or Violating the Code of Conduct

Delegates who disregard or violate this code will be subject to disciplinary action, including, but not limited to, forfeiture of privileges to attend further events, confinement to your hotel room, dismissal from the conference, and being sent home at your own expense. Parents and/or guardians will be notified and FBLA-PBL reserves the right to notify law enforcement.

I agree to abide by the Code of Conduct and the Dress Code.
